FAFSA

Free Application for Federal Student Aid - The FAFSA application is a very important part of the College application process. This application will be available starting October 1, 2016. Regardless of which college/technical school you plan to attend, you will need to fill this application out so they can put together a financial package showing how your education is going to be paid for. Try to fill this application out as soon as you can after it opens in October. You can use your tax return from last year to complete this document. More information at www.fafsa.ed.gov

SAT/ACT

Every Senior must take the SAT test or ACT test if going to a 4 year College. These are nationally recognized tests that provide you with scores you will need to have sent to the colleges you are applying for. If you haven't taken it already, you will want to sign up as soon as possible. Check the college(s) you are applying for to decide if you want to take either the SAT or ACT. To sign up and get the details for the SAT go to sat.org For the ACT go to actstudent.org

CAREER AND EDUCATION RESOURCES

If you are not sure of what career path may be right for you, or you would like to know more about a career path that you are considering, the websites listed below can help.

www.careerbridge.wa.gov Research multiple career ideas and find the educational institution to get the job you desire.

checkoutacollege.com Explore careers and find a Community Colleges and/or Technical School that offers the education needed. Also, compare tuition costs of all WA colleges and universities.

<http://www.wiche.edu> If you are interested in attending a college outside of Washington State, but still in the western half of the USA, this website will show you colleges that are part of the Western Undergraduate Exchange. That means they have agreed to charge less than the usual out-of-state tuition to attend their school. Abundant information is available on the website.

STEMjobs.com STEM stands for Science, Technology, Engineering, and Math. This site specifically matches student interest levels with careers in the STEM area of focus.
